

Gloves

I. APPLICATIONS

1. Suitable for all types of medical examination, home care and diagnostic and laboratory use

II. GLOVES FEATURES

Powder Free Latex Disposable Glove Features

1. Powder-free, single chlorinated Latex Gloves to provide good dry hand donning capability
2. Full textured surface enhances grip for efficient instrument handling
3. Good grip to handle dry instruments when moderate amount of handling is required
4. Good Thickness Distribution for tactile sensitivity
5. Suitable for all types of medical examination, home care and diagnostic and laboratory use
6. Natural to Light Yellow Color

Powder Free Nitrile Disposable Glove Features

1. Non-added components (sulphur and accelerator chemicals) to minimize exposure to Type IV hypersensitivity
2. Non-latex formulation eliminates exposure to Type 1 latex protein sensitivity
3. Nitrile material promotes better puncture and chemical/ chemo resistance properties
4. Low Dermatitis Potential Claim
5. Finger textured with improved working grip to enable efficient instrument handling in wet and dry condition
6. Beaded cuff design to don gloves efficiently and securely
7. Blue Color

III. GLOVES DESIGN

1. Two kinds of gloves: Latex and Nitrile
2. Non-sterile
3. Ambidextrous
4. Patent Pending Formulation

IV. PACKAGING

100 Pieces/pack, 10 Packs/case

V. DESCRIPTION
